## ***From the Desk of the Managing Trustee & Hon. Gen. Secretary:***

*It gives me immense pleasure and satisfaction, to present this report to you. You are well aware that this organization has been working for the education, training and rehabilitation of hundreds of persons with different disabilities in the districts of Dahod and Panchmahal. It is only with your persistent support and encouragement that we have been successful in entering in this 14<sup>th</sup> year of our services to the differently able community of this so called backward, tribal pocket in the progressive state of Gujarat.*

*We have been running various activities like residential school and day care center for mentally challenged & multiple disabled children, residential school with hearing impairment children etc with the support of the Government and the society.*

*With the cooperation of parents and the hard work put by our dedicated staff, the progress of the children has been quite impressive and has been appreciated by visiting dignitaries, various Government and non-government authorities and social workers.*

*We impart formal education as well as vocational training to these children, which help them to get self-employed, to be financially self-reliant and to earn respect in the society. Under the vocational training programme these disabled children are trained to make doormats, decorative candles, chalk sticks, paper dish, glass craft, greeting card, gift etc.*

*I am very happy to inform you that after years of hard work, Lions Club International have agreed to grant the fund for the purchase of the Machineries for the Vocational training center for the disabled. They have agreed to give a grant of \$ 63227/-. I thank heartily to Lion Jayantibhai Patel, Lion Jayeshbhai Dalal and Lion Arunaben Oswal for their kind efforts for this sanction.*

*I do not have enough words to thank all our patrons and donors for their support, generous donation and kind cooperation extended to us in the past. I am sure you all shall continue to bestow your blessings upon this institution year after year.*

*In the coming year we need to construct a Vocational Training Center cum Production workshop for persons with disabilities, where in training as well as production is carried out. I earnestly request all of you to extend your wholehearted support and co-operation for raising this center.*

*I avail this opportunity to express my feeling and gratitude towards all in-house and field staff. They have continuously been working with extra ordinary zeal and exemplary devotion. The institution has continuously been moving towards the achievement of its mission, May The Almighty give us enough strength to work for the welfare and development of all the disabled persons in particular and the overall society in general.*

*Amen !*

## The lives of Children with special needs are undergoing remarkable changes with the efforts of Blind welfare council.

*Our shining stars at International level : NEELAM PATEL AND GIRISH GOSAI*

*Ms Neelam Patel and Master Girish Gosai our two sparkling stars have gone beyond the borders of our continent.*

*Dear friends, In our previous reports we have been narrating about the stories of many children with special needs, who have made their lives useful under the guidance of the teachers of Blind Welfare Council.*

*This year two students our institute, Ms. Neelam Patel and Mst. Girish Gosai have represented our country at the Asia Pacific Special Olympics 2013 held at New Castle in Australia.*

*With a mixed feeling of pride and honour we feel privileged to narrate the stories of these two stars who have not only participated but have come with flying colours in the international events. No body could have ever imagined that a mentally retarded loving girl born in a poor family in a backward village of a tribal taluka of Lunavada & district of Mahisagar could even be able to fly to Australia to represent our beloved country.*

*The girl born on 4th March 1993 was not performing well at her regular school but for the very beginning she was always keen to participate at various games & sports. The credit of identifying her interest and performance of participating in sports and games goes to our special teacher Mr. Ramesh Parmar who was supervising her development under our IEDSS programme. She had been pursuing her primary studies at her own village but when she was in 4th std. she met our special teacher who worked hard to refine her sports talents and managed to include her under the IEDSS programme. (Inclusive education for disabled children at secondary stage). He helped her to get Educational kit, uniform, free bus pass, scholarship etc. He also trained her for the Special Olympics games. Due to this devoted training, gradually Neelam's performance started uprising like anything.*

*Having undergone basic training in various sports & games and looking to her active participation, sharpness & good eye - hand co ordination, the coach started concentrating on her talents in Table Tennis. Since then Neelam has never looked back.*

*First of all at the district level then at state level and then National level, in all her games she earned many medals. She also participated in the National coaching camps and exhibited her skills in service, backstroke and ball bouncing. It was only because of her skills and constant encouragement of BWC family that she moved ahead winning medals after medals and ultimately she went to Australia to represent our country in the Asia Pacific Special Olympics 2013 in table tennis where she won Gold medal for the country.*

*Now let us talk about Girish Gosai who is with mental retardation but is physically strong. He was born on 1st September 1993 in a backward and tribal village named Kharol situated in Lunavada taluka of Mahisaagar district.*

As Girish had not been doing well at his regular school he was admitted in our Multi handicapped residential school about 7 years back in 2006. From the very beginning our teachers noticed that Girish was very much interested in sports and games and other cultural activities in the school. Above all he liked to play football very much. Our sports coach Mr. Virendra Baman noticed his interest in playing football and started refining his football talents with the help of other teachers at the school. They could collectively turn him into a good football player. He was exposed to various training camps at State and National level. He also participated in the District, State and National tournaments of football and won several medals. Ultimately he succeeded in representing our country in the Asia Pacific Olympics 2013 in Australia where he stood at 5th position.

Both our athletes had represented our country in Asia Pacific special Olympics tournament held in Australia during Nov-Dec 2013 where about 2000 athletes from 30 countries participated. 383 were from India and 31 from Gujarat. In such tough competition both our athletes had performed very well. **Neelam won gold medal in Table Tennis** and Girish stood at 5th position.

All the staff members and the Trustees of BWC, feel proud of this achievement. Most happy are the parents of these children who had never seen an aero-plane or had even travelled in the train, to see that their children had flown to some other country because of their association with BWC Dahod and the hard work of the teachers.

All of us at BWC wish them success to both of them for their bright future.

## **Programmes / Activities of the Organisation**

### ***Lalit Bahuviklang Paathshaala and Day care center (For the children with mental retardation and multiple disabilities)***

The Multiple disabled residential school run by BWC Dahod is first of its kind in Gujarat. At present there are 72 children with multiple disabilities out of which 51 are boys and 21 are girls. They stay in the hostel and get systematic training and education. The development is slow but constant. The number of teachers provided by the Government is few, but the Trust has appointed adequate number of teachers at its own cost and is trying to provide best services to the children.

We also have Day care center for children with mental retardation and multiple disabilities. Here in we have 30 boys and 17 girls with the total of 47 such children who are imparted training and education during the day. The children go back to home in the evening. Our teachers work very hard for the all round development of these children. We also have trained teachers who work in the villages as well. These teachers cover almost all the Talukas of Dahod and the Panchmahal districts.

### ***Residential School for the children with Hearing Impairment***

Since last 4 years we have started a residential school for the children with hearing impairment. Here we had admitted 18 children with hearing impairment in the age group of 6 -14 years. We trained them for their activities of daily living, academics, extracurricular activities, sports, drama dance, singing and other cultural activities etc. We are also giving training with group hearing aid, sign language, lip reading etc. This year we have 18 such students in this special school. All these students are provided education, lodging and boarding free of cost.

### ***IEDSS (Inclusive Education for Disabled Children at Secondary Stage)***

*We are running this program with the help of the government of India and the IEDSS cell based at GCERT Gandhinagar. Here we cover disabled children with different categories from Std 9<sup>th</sup> - 12<sup>th</sup>. These children study in the normal schools of their own villages. Our special teachers who are trained in that particular category teach these children and provide all the special training needed as per the disability of the student. They also help them to get all kinds of Government and Non Government benefits. In this program our special teachers cover the following children with disabilities.*

Category	Number of children	Number of Specialized Teachers
		Permanent
Visually impaired	179	12
Hearing impaired	159	20
Intellectual disabled	480	60
Loco motor disabled	214	--
Total	1032	92

*The above numbers of children are registered with us and we provide all government benefits to them. Under this program approx 1000 children are being provided educational kits and one pair of school uniform. Additional tools are also provided depending on the needs of the children like: Tricycle, Crutches, Hearing aid, Tape Recorders, Wheel chair.*

### ***Samarth Project and Niramaya scheme***

*Under this project 30 students with special needs are provided long term residential facilities and respite care facilities along with training and education free of cost.*

*The students under this programme are with Mental retardation, Cerebral Palsy, Autism and Multiple disabilities. These students along with other residential students of BWC are enrolled with Niramaya scheme, an initiative by National Trust New Delhi.*

*Under Niramaya scheme they are given an insurance cover for their medical expenses.*

### ***KOHA Project***

*This project is being conducted with the kind support of Blind Peoples' Association, Ahmedabad in the 4 districts of Central Gujarat namely Dahod, Panchmahal, Kheda and Anand. The KOHA project aims at creating awareness towards disabilities and diseases like AIDS /HIV in general population as well as towards empowerment of disabled persons by way of several training programs, distribution of aids and appliances is also being undertaken. Under this project for improving mobility of disabled persons. Different training programmes conducted under this project are as under:*

## APPEAL

The Trust is grateful to all donors. The support of Society and Government is necessary for the progress of the Trust. Whatever achievement the Trust has made is due to your co-operation and it is desired that we will receive your support to complete the above Projects. We hope that you will share this with your Family members and Friends. In the past we have received great support from all of you for the construction work of about Rs 2 crores. I would like to inform you that the Institution has F.C.R.A. Registration (so that we can collect funds in foreign currency itself) For our donors to avail 100 percent tax exemption from Income tax we have 35-AC registration along with 80 G exemption certificate. So I have pure faith that you will donate generously for the betterment and progress of the disabled of this area.

## અપીલ

સંસ્થા દાન આપનાર નાના-મોટા દાતાઓનું ઋણ સ્વીકારે છે. સંસ્થાના વિકાસ માટે સમાજ અને સરકારનો સહયોગ અનિવાર્ય છે. આજ દિન સુધી સંસ્થાએ જે કંઈ સોપાનો સર કર્યા છે તે આપ સૌના સહકારથી જ શક્ય બનેલ છે અને ઉપર્યુક્ત પ્રોજેક્ટો સર કરવા માટે આપ સૌનો સહકાર મળી રહેશે તેવી અભિલાષા છે. આપ આપના સંબંધીઓ અને મિત્રવર્તુળ સુધી અમારી આ વાતને જરૂર પહોંચાડશો તેવી અપેક્ષા છે. અંદાજિત ૨ કરોડ રૂપિયાના નિર્માણ કાર્યમાં આપ સૌ ઉદાર હાથે ફાળો આપ્યો છે અને ભવિષ્યમાં પણ અપાવશો તે માટે મારી ખાસ અપીલ છે. આપ સૌની સમક્ષ અત્રે એક બીજી વાતનો ઉલ્લેખ કરવા માંગુ છું કે, સંસ્થા પાસે એફ.સી.આર.એ.રજિસ્ટ્રેશન તેમજ ઇન્કમેટેક્સમાંથી ૧૦૦% કરમુક્તિ માટે ૩૫-AC નું તથા ૫૦% કરમુક્તિ માટે ૮૦-G નું રજિસ્ટ્રેશન છે તો આપ સૌ દીર્ઘ દષ્ટિથી આ સંસ્થાના વિકાસમાં અને આ સંસ્થાને વટવૃક્ષ બનાવવામાં આપનો સિંહફાળો આપશો અને અપાવશો. તેનો મને પૂર્ણ વિશ્વાસ છે.
